Feel Good Friday - We're all in this together.

Have you seen our wonderful video? Anna Smith put this together using lots of amazing dance clips from the staff and workers. It really sums up the joy of Jennyruth Workshops during this period of staying safe at home. We love how the Jennyruth family is embracing remote working.

You can watch the video on You Tube:

Some wonderful feedback from tutor, Christine Hayes, who is running Zoom classes for Literacy and Community Action with small groups of workers:

The Zoom classes have been so exciting. How wonderful to see all the learners/workers involved in the "Earth Day" Quiz and engaging in language activities and a fun Scavenger Hunt. We always seem to run out of time but never without a good laugh first. Jackie is always the one to shout out words of encouragement, like: Well done! I always look forward to meeting with everyone on Monday and Wednesday morning. See you all soon. Stay well and safe! Christine
