

Your handprints

The image features six stylized handprints arranged in two rows of three. The top row consists of a light blue handprint, a yellow handprint, and a red handprint. The bottom row consists of a purple handprint, a green handprint, and a dark blue handprint. The title 'Your handprints' is written in a large, black, sans-serif font, centered over the handprints.

Draw around your hand on a piece of coloured paper, or on white paper and colour it in. Stick the handprints of all the people in your home here to make a collage.
